

Leibniz
Universität
Hannover

The **DFG Research Training Group** “Analysis, Geometry and String Theory”
is offering

one post-doc position in Mathematics/Physics (f/m)

starting from 01 October, 2008. The appointment is limited to two years.

Applicants are required to have a PhD in Mathematics or Physics. They should have expertise in Analysis, Geometry or Mathematical Physics.

Applications by candidates with interdisciplinary research experience are particularly welcome. The successful applicant is expected to contribute to the teaching programme of the research training group.

Leibniz Universität Hannover is an equal opportunities employer.

Please send your application with the usual documentation (curriculum vitae, a description of your research interests and a list of your publications) compiled in one single pdf document to: schrohe@math.uni-hannover.de.

In addition, we request two letters of recommendation, which should also be sent by e-mail.

The position is paid according to EntGr. 13 TV-L.

Applications cannot be considered after July 8, 2008. For more details see the website of the Research Training Group:

<http://www.grk1463.uni-hannover.de/>
