

Leibniz  
Universität  
Hannover

The **DFG Research Training Group** “Analysis, Geometry and String Theory” is offering

## **six PhD positions in Mathematics/Physics**

starting from 01 October, 2008. The appointments are limited to two years. An extension for one year is possible. Candidates will have the opportunity to work towards a doctoral degree in Analysis, Geometry or Mathematical Physics. Applicants are expected to hold a Master’s degree or a Diplom in Mathematics or Physics. The successful applicants are expected to contribute to the teaching programme of the research training group.

As an equal opportunities employer, Leibniz Universität Hannover wishes to support women in the context of statutory requirements. For this reason suitably qualified women are specifically invited to apply. Equally qualified applicants with disabilities will be given preferential treatment.

Please send your application with a curriculum vitae and a description of your research interests compiled in one single pdf document to:  
[schrohe@math.uni-hannover.de](mailto:schrohe@math.uni-hannover.de).

In addition, we request two letters of recommendation, also by e-mail.

The positions are paid according to EntGr. 13 TV-L/2.

The closing date is May 16, 2008. For more details see the website of the Research Training Group:
