

**Leibniz
Universität
Hannover**

The DFG Research Training Group "Analysis, Geometry and String Theory" invites applications for three positions as a

Research Assistant (EntgGr. (Salary Group) 13 TV-L/2

to be appointed on 01 April, 2009. The positions are limited to two years. An extension for one year is possible.

Responsibilities and duties

Candidates will have the opportunity to work towards a doctoral degree in Analysis, Geometry or Mathematical Physics. The successful applicants are expected to contribute to the teaching programme of the research training group.

Employment conditions

To qualify for the position, applicants must hold a Master's degree or a Diploma in Mathematics or Physics with above-average success in the present courses of studies.

The Leibniz Universität Hannover aims, in particular, to promote women within the scope of the statutory provisions and, hence, emphatically invites qualified women to apply for this position. Severely disabled applicants are given preferential consideration in the event of equal qualification.

For further information, please contact Prof. Dr. Elmar Schrohe (Speaker)
Phone : +49-511-762 3515, who will be pleased to assist.

Please send your application with a curriculum vitae and a description of your research interests compiled in one single pdf document to: grk1463@math.uni-hannover.de

In addition, we request two letters of recommendation, also by e-mail.

The closing date is March 20, 2009.
