Postdoctoral Research Position
in Mathematical Physics

will be available starting in fall 2015, for a period of two years, with a possible third year. The application deadline is 30 November 2014.

The successful applicant is expected to support the research done within the group, which currently includes Profs. Olaf Lechtenfeld and Marco Zagermann, postdocs Athanasious Chatzistavrakidis, Andreas Deser and Alexander Popov as well as several PhD students. Close ties exist with the Graduiertenkolleg `Analysis, Geometry and String Theory' and the `Riemann Center of Geometry and Physics'. For more information, consult

http://www.itp.uni-hannover.de/~lechtenf/

The salary scale is E13 TV-L which includes fringe benefits; the actual amount depends on experience and family status. The position includes light teaching duties (in German or English). Part-time employment is possible.

As an equal opportunities employer, Leibniz Universität Hannover intends to promote women and men in the context of statutory requirements. For this reason suitably qualified women are specifically invited to apply. Equally qualified applicants with disabilities will be given preferential treatment.

For further information, please contact
Prof. Dr. Olaf Lechtenfeld, +49 511 762 3667 or olaf.lechtenfeld@itp.uni-hannover.de, who will be pleased to assist.

Please submit your application through the web platform
https://itf.fys.kuleuven.be/postdoc-application/
where it will be considered in the following months.
