

Leibniz
Universität
Hannover

The Institute of Theoretical Physics invites applications for the position of a

**Research Assistant (PostDoc, m/f/d)
in Mathematical Physics
(Salary Scale 13 TV-L, 100%)**

starting 01.10.2020. The duration will be two years, extendible to a third year.

Responsibilities and duties

The successful applicant is expected to support the research done within the group, which currently includes Prof. Olaf Lechtenfeld and senior researcher Alexander Popov, postdoc Till Bargheer as well as two PhD students. The position includes light teaching duties (in German or English).

Close ties exist with the 'Riemann Center of Geometry and Physics'.

For more information, consult

<https://www.itp.uni-hannover.de/lechtenf.html?&L=1>

Employment conditions

The successful candidate must hold a PhD in theoretical physics or mathematics. We are looking for working knowledge of and experience with string theory or related subjects.

Part-time employment is possible.

As an equal opportunities employer, Leibniz University Hannover intends to promote women and men. For this reason suitably qualified women are specifically invited to apply. Preference will be given to equally qualified applicants with disabilities.

For further information, please contact

Prof. Dr. Olaf Lechtenfeld
